Rogue October

- We need a parking attendant. Reinhold offered to help, may try to see if can tag team with Peregrin (if he's there).
- Site visit? Mughain emailed back and forth with site coordinator, will try to schedule for site visit on Monday. Feast?

- Sarnat and Artie meeting tomorrow to discuss feast. Will have tables of 8. Mughain will have little cakes for 8 for each table.
- Maya is royalty liason. Royal lunch including cheeses and stuff. Princess Royales coming. Two retainers and TRMs and their daughters are comped. Court would be easier to do outside, while staff sets up for feast. Keep day camps to a minimum, space is limited. Retainer shifts to be hour by hour, sign up online. There is a Holiday Inn and a Fairfield Inn hotel nearby.

New Business

- loaner armor = Marcos is taking it all to see what can be sewn or salvaged, what's usable or not usable, what's checked out. Boxes that had armor in it are trashed and need replaced. Reinhold suggested wood crates. Can later discuss budget, amount of stuff needing to be stored
- List poles are at Melissa's house and Reinhold's house. Need them for Rogue October.
