

August 2019 Meeting Notes

Officer Reports:

Baronets – Pennsic was amazing! Thanks to everyone who came out and supported the Barony. Baronial Championships is less than three weeks away. Since our hosts are graciously allowing us to use their home and property at no charge, we would request that as a donation, people bring school supplies. These will be given to Marie for us in her school, where there are children in need.

- *Needing* replacements for Baronial officers. Please consider taking a job. Lots of folks to help and guide.

Exchequer – Not present

Seneschal – Report is due in 2 days. No major issues.

Heavy Marshal – Have practice and fighters. Recall on loaner gear for inventory.

Rapier Marshal – Loaner masks acquired at Pennsic. Bought gloves to donate. Loaner gear returned to inventory. Sign out loaner gear. Report is in.

Archery Marshal – Confirming 8/24 archery at Dunham range. More details to follow. Fenix archers shot well at Pennsic and we want to keep that trend going. Archery report is due on 9/1.

Equestrian Marshal – Not present

Thrown Weapons – Not present

Herald – Not present. Gabby got AoA at Pennsic.

MoAS – Need someone to take the office. Next report is due on 9/5. I will do that one, but would like to hand off before December. Sarnat is stepping forward.

- Reminder of the online tracker. Please use the online tracker. Link is on the Facebook page. The goal of this is to have people report their own activities that further the SCA's educational mission, and the local MOAS officers to look over and verify. Things like competitions and displays at events, craft and scribal nights, and group projects all count. Activities fall into categories such as competitions, displays, feedback events, doing (craft nights), education (workshops), and interest (which would be the gaming group or brewer's collective).
 - o Sven doing a make pouch class.

Chatelaine – Online presence has been successful. Got 5 people in last few months. Demo requests coming in. Waiting for replies. Needs replacement. Becoming regional deputy.

Chronicler – Not present. Report is due on 10/1. Need submissions for the autumn newsletter. Please submit by mid-September. Need artwork, articles, and whatever else you'd like to submit with signed release forms. Still looking for a replacement.
