

## October 2018 Meeting Notes

### Officer Reports:

Seneschal – report went in. We'll be voting in a new seneschal today.

Chronicler – Report was submitted and newsletter available online

Exchequer – Report went in. We have money. We'll be losing about \$100 from Horses and Hounds, as well as losing money towards the Pennsic trailer. My time as Exchequer will be up in February. I can extend for a year, but I need a deputy.

Herald – Been in contact with Dragon Herald. Report didn't go in – the website wasn't working. I'm seeking a replacement. If you're interested, we'll vote next month. Reinhold is interested.

A&S – not present

Heavy Marshal – I've completed my two years, but I can extend it one more year. I need a deputy and eventual replacement before June 2019. I'm going to be out probably through December with new baby on the way. So, I'll be back around January.

Rapier Marshal – Report is due at the end of the month. We have new fencers!

Chatelaine – We have new people, including here at the meeting! Report is due at the end of the month. Still waiting for demo sites to respond. If all else fails, we'll have a dress-up practice.

Baron and Baroness- semi-annual report went in to the Crown. Took a moment of silence for Peter (Master Terafan Greydragon). If you're contacted by the press, please contact SCA media contact. We have Baronial business from May Day – silver rose was presented and given. The trailer that got left in Columbus after Pennsic is finally fixed and ready to be picked up.

### Old Business:

- Horses and Hounds – we did lose some money. Autocrats are not present at the meeting. Peter's family may be going home on Thursday. It was a good event until everything went wrong. We'll discuss this more at the next meeting.
- Still looking for a new A&S officer. Melisande has been nominated. Will vote on that at the next meeting.

- Banners – Omerad has contacted Melisande. Which batch do we want? Baron moves that we increase the amount to \$200. Move passes.
- Voting for new Seneschal. No one else interested in this office besides Wilhelm. Wilhelm has been voted in.

New Business:

- May Day – bid suggested for May 11 at Camp Craig. Baron and Baroness will speak with new heirs before the next meeting to confirm which date is good for them. Baroness makes motion to put it on the calendar and vote on it next month. Motion passes.
