Equestrian – Mounted War Games had lots of horses and several Fenix equestrians. We will be hosting lots of equestrian activities at Horses and Hounds.

Old Business:

At Horses and Hounds, we need volunteers for Gate. We need 8-12 hay bales for the archery range. Rose de la Cumbe will probably be handling the hay bales.

New Business:

Our Fencing marshal has moved to Chicago. Trap is her interim substitute. We will be voting on a new Rapier Marshal next month.

We have the meeting site two nights a week. Fencing will be moving to Monday nights starting next week from 7-10pm. It is our hope that Oxford fencers will come down, as they have temporarily lost their practice site.
