

## Meeting Notes for October 2017

Seneschal – looking for deputy

Exchequer – report in. We made about \$400 from H&H (food expenses to still be deducted)

Chronicler – report went in last month. If you have any articles or pictures, please submit before the next newsletter.

Herald – some baronial awards given at H&H. Quarterly report went in before out-going herald left office.

Chatelaine – nothing new

Heavy marshal – nothing new. We need a few first aid kits. Will look at cost and bring it up next meeting

Baroness - report in

### Old business:

H&H – thanks to House Greenlance. About half of the attendees were involved with equestrian. Thank you all very much.

### New business:

We have a potential rapier marshal. Voted in.

First aid kits – need one for each marshal and would be nice to have to take to Pennsic. None opposed. Motion passes.

Annual Thanksgiving – are we interested in doing this? Hypatia already contacted Molly Malone's. They are available on Wednesday for either floor.

May Day bid – Mughain as Autocrat and Elisabetta as her co-autocrat at Newman Farm on Wren Rd in Ross, KY on 5/19/2018. There's electricity and potable water from a well. Included in the price is renting a refrigerator and two port-a-castles. We have enough tables to set up a full buffet. Passed through the financial committee and will be voted on at next meeting.

We have new people!
