

December 2017 Meeting Notes

Officer reports:

Exchequer – Report went in on time. Check written to reimburse Reinhold for the purchase of the baronial trailer.

Chronicler – My report is due at the end of the month. I have a few copies of this quarter's newsletter with me tonight. The Baron and Baroness's letter in the newsletter includes their report this month.

Rapier Marshal – We need a punch tester. Buy one?

Seneschal – Report went in on time.

Old Business:

Twelfth Night – There was a site visit recently. There will be a regency court at the event, so get your award recommendations in soon. We need teachers to teach classes. Please see Lynne to sign-up to teach a class.

New Business:

- At the fight practice site, all groups have been asked to clean up their areas and put stuff in boxes. Purchase another box?
- There will not be a fight practice on the day after Christmas (December 26th).
- Officers and current champions – please check the list that Lynne has to verify that your information is correct for the website to be updated.
- A YouTube channel will be created for the Barony of Fenix to provide A&S videos.
- Do a possible demo at Ludlow Castle? Castle Days are on the third Saturday of each month from April – August. Start thinking about what day we would like to potentially do this.
- Upcoming A&S nights that do not have a specific class scheduled will be designated as Scribal Nights.

Forgotten Business to be Brought Up at the Meeting:

- We need a new Signet, if possible.
- We still could use a Thrown Weapons Marshal.
