Old Business:

May Day – Royals are attending. Monika is the royalty liaison. We have lunch taken care of: coney and other picnic fair. There will be no feast, but there will be pre-court food for free (like meat, cheese, and bread). To merchant, contact Frigga. Members of the barony of are asked to park in the far parking lots; there will be space to unload. Shuttle is available upon request – Mughain volunteered for this.

Pennsic trailer – We'll be working on the Pennsic trailer on May 19-20th. Please come and lend a hand. Please ask Reinhold or Wilhelm what tools, if any, should be brought if you have them.

New Business:

There's a baronial championship bid. It's the Sunday of Labor Day at Big Bonelick State Park at the old May Day spot. Some staff spots are filled, but volunteers are needed. There will be a potluck feast. It's \$0 bid. We vote to approve at the next meeting.
