Letter from the Chronicler

To my Brothers and Sisters of the Barony,

This last quarter ended rather abruptly. It was a winter of activities and events, culminating with the Winter War Maneuvers events, which was a great success. Soon after, Gulf War was canceled, and quickly following was the announcement that all activities were suspended through April.

Things are still tentative, but this barony has remained connected. Through this stillness, please capture as many memories of how we have remained a community through these struggles. I will be adding them to the next newsletter, as a bright reminder to this Barony that we will remain close, even in dark times.

In Service,
Dorran of Gloucester

Letter from the Baron and Baroness

Unto the strong, resilient Barony of Fenix do Angus and Melisande, Baron and Baroness, send our fondest greetings.

Times are difficult now, for all of us, but we hold faith that we will pull through these troubled times and come out on the other side strong. We want all to remember that we in Fenix, and in the SCA as a whole, are more than simply a group of people who share a fondness for history. We are a family, a community, a neighborhood. Check on your neighbors. Some are struggling more than others. Please offer help where and how you can. We may not be able to give hugs or handshakes right now, as we all hunker down in our separate towers, but we can share laughter, kind words and encouragement.

Our fingers are still crossed that we will be able to hold May Day and that it will be an amazing day for everyone. We have reached out to Reinhold and Linnea to see if there is an ability to expand our capacity so we can offer the best possible experience for our guests. If you are not already signed up to work somewhere at May Day, please volunteer. It takes many hands to make the day run smoothly and our stalwart event stewards will need every pair,

Should our hopes be dashed and it is not considered safe to hold May Day, rest assured we are making plans for events to come.

Stay Safe. Stay Well. Stay in touch. You make us proud,

In Service and Love,

Let Fenix Rise!

Angus and Melisande
