Letter from the Chronicler

To my Brothers and Sisters of the Barony,

As the plague continues to threaten the vulnerable within our family, we do are all doing what we can for those in our community. This season has allowed us the opportunity to reflect on our places within the Knowne World, and where we would like to be when the restrictions end.

Take the building energy that we would normally be spent participating in this Summer and Fall's events, and let us unleash it in a mighty wave when we can finally meet again.

As things progress within our country, let us remember that we are one nation, one society, and one Barony. Let us not judge each other for our differing beliefs and with the best of intentions, understand that they come from differing perspectives and experiences.

Sincerely in Service,
Dorran of Glochester

Letter from the Baron and Baroness

Unto the generous and noble Barony of Fenix do Angus and Melisande, Baron and Baroness, send our fondest greetings.

As we continue to struggle through these difficult and unprecedented times, we are reminded that it is often the small things that help us stay strong. Kindness and laughter go a long way in helping us remember why we came together in the first place, and how glad we will be when we can finally gather again. We are grateful to all of you. We are especially grateful to Their Majesties for their wisdom, encouragement and guidance on how best to sail these difficult waters. The exact path may yet be uncertain, but the future of our beloved Middle Kingdom will be stronger for the hardships we have endured.

We are certainly disappointed that so many events have had to be canceled and that we will not be able to gather in any official way before next year. Our gratitude goes out to our martial champions who have agreed to continue in their roles until such time as we can hold the tournaments to choose their successors.

We were pleased to see so many of you at our virtual championships court. We will likely hold another for Twelfth Night, since we will still be apart. Please recommend people whom you feel are deserving of awards.

If and as restrictions lift and we start being able to gather in smaller groups, Angus and I would like to put together some project days. In the meantime, we all have "those" projects we have been waiting on having enough time to work on. Let's encourage one another to work on them now.

Stay Safe. Stay Well. Stay in touch. You make us so proud,

In Service and Love,

Let Fenix Rise!

Angus and Melisande
