# Letter from the Baron and Baroness

Unto the members of our beloved Barony of Fenix do Angus and Melisande send our warmest greetings.

The days are getting longer, flowers are blooming, and despite the ups and downs of temperature, our spirits are lightened by the knowledge that Spring is here.

With Spring, comes the return of May Day. We want to express our gratitude to everyone who has stepped up to help plan, organize and run this event. We are so glad to have this back on the calendar and look forward to welcoming visitors from near and far. As we plan for the festivities, please make sure to get in any baronial award recommendations sooner rather than later.

Not far behind Spring comes Summer. That means melee season is fast approaching and we look forward to seeing all of you fighting together in our Baronial colors. Please see us if you need heavy weapons tabards or rapier cloaks.

Arts & Sciences Days are commencing again. The pottery painting class was great fun. The next one will be focused on making marshal tabards for those who need them and garb refurbishing. We can always use that.

Looking ahead to Pennsic 50. Angus will once again be camp reeve. With the expected size of the war this year (merchants are being told to expect 20,000) it is imperative that everyone planning on camping with the barony contact us as soon as possible with tent sizes so we can have a camp map in advance. Please no last-minute surprises. As we get closer, we will be gathering anticipated arrival and departure dates.

Let Fenix Rise!

*Angus & Melisande*

## **A**wards & **R**ecognition

The following awards were given at 12<sup>th</sup> Night on by Their Excellencies Angus and Melisande on the 7<sup>th</sup> of January 2023 Anno Societatis LVII:

- ❖ Milo was awarded the Golden Feather for service at Pennsic, specifically his diligence in keeping the Fenix camp supplied with ice and water.
- ❖ Gabriel was awarded the Golden Father for his diligence in making sure we have practice in the face of the challenges with the changing requirements from the practice site.
- ❖ Wolf's teeth were presented to all who fought/shot/marshaled/served at Pennsic. These are wolf's teeth gifted by Sergeant Einar Ginfasson. Oaken fought together like a wolf pack last year and it seemed only fitting that they have the teeth to represent that.
- ❖ Baron Hengist and Baroness Hypathia were awarded the Fenix Heart; a new award created for those who give their heart and soul to making the barony a better place.

If I missed anyone, please email me at [Fenix.chronicler@midrealm.org](mailto:Fenix.chronicler@midrealm.org) and I will be sure to include it in the next newsletter.

# Meet the Barony

**What is your SCA Name?** CuMhara of Holyhead, called Kope

**What are your pronouns?** She / Her / They

**What period and culture is your persona based off of? What made you choose that?** 12th century-Wales. I like the simple clothes, traveling with Richard the Lion and meeting Saladin.

**How long have you been in the SCA?** Three decades or so.

**What are your hobbies in the SCA?** Armored combat. Rapier combat. Mounted combat. Fiber arts including tablet weaving, sprang, peg board, and nalbinding. I'm currently editing some medieval equestrian manuals--I'm almost done with Blundeville. Did I mention that I like fighting?

**What is something in the SCA you want to try but haven't been able to yet?** I've never managed a feast for a full event.

**Do you hold any officer positions, or what have you held?** Currently, I'm a special deputy to the Kingdom Seneschal for Covid response. I've held most of the offices in the Barony at some point or another.

**What is your favorite memory in the SCA?** Oh, there are way too many to pick a favorite! Seeing Randy get put on vigil has to be up there. Jousting at SCA 50 year, coming in second to Sir Seto was pretty epic. This past year, helping Master Brusten authorize equestrian on Magic was one of my favorite moments.

**What tips or advice do you have for new members?** Just Ask! Most folks in the SCA LOVE to talk about their thing. You'll have a harder time getting us to stop talking about our thing. (My things are fighting, horses, and fiber. Just ask!)
