Letter from the Baron and Baroness

Unto the members of our beloved Barony of Fenix do Reinhold and Lynne send our warmest greetings.

The weather will soon be cooling down with the autumn leaves changing colors. Now is a wonderful time to start on projects!

At Twelfth Night on Saturday, January 10, 2026, We will be selecting our peaceful champions for the upcoming year for Arts & Sciences, Games, and Bardic. We look forward to seeing your fantastic entries!

To start the holiday season, though, we will be gathering for our annual Pre-Thanksgiving Gathering on Wednesday, November 26, 2025 at The Works Pizza in Covington at 6pm. We look forward to seeing everyone's smiling faces!

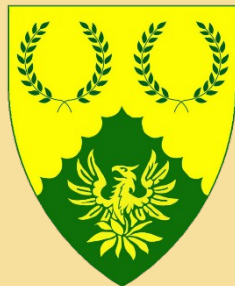

Any assistance would be much appreciated with making Baronial tabards, belt favors, and rapier capes (and anything else Baronial-related that people can wear) for the upcoming year. We have green and yellow fabric, if needed.

Looking ahead, summer will be here before we know it! An event bid is needed for May Day, where we will be holding our Baronial Championships for Archery, Thrown Weapons, Equestrian, Rapier, and Armored Combat. Wait a second!? Equestrian too? That's right! The Barony now has two hobby horses, donated by Our younger sons, that even make the sounds of horses' clip-clopping. So, any event site will do! If you are interested in submitting an event bid and need assistance, please let us know.

We encourage the populace to send us a message of when you are travelling to an event, so that we can gather together and set up a Baronial presence.

Have you seen someone do something awesome? Please let Us know! Please submit Baronial Award recommendations on the baronial website: Go under About the Barony, then click on Awards to Barony Award Recommendations.

Let Fenix Rise!
Reinhold & Lynne

Letter from the Minister of A&S

My dearest friends,

As Pennsic fades into memory, let us not forget that the knowledge and skills we gained there can continue to serve us all year long. You may record any classes you taught or attended on the Midrealm RUM page: <https://rum.midrealm.org/>

If you have the means to travel, mark your calendars—the Fall RUM will be held on October 11th in Ayreton: <https://ayreton.midrealm.org/royal-university-of-the-midrealm-fall-2025/>

The barony itself has been a hive of creativity. I confess with chagrin that I neglected to thank those who created the exquisite site tokens for our last event—they were truly lovely and set a shining standard for our hospitality. Lady Deor graced us with a class on Japanese braiding (Kumihimo), sharing both beauty and patience with her students. How fortunate we are to have such talent among us!

Looking ahead, another A&S Craft Night will be held on October 14th at the Norwood Public Library from 6–7:30 pm. If there is a skill you wish to learn, or one you are bold enough to teach, speak up! Our barony is full of learned and gifted artisans, and one never knows what treasures may be found when we share freely.

Until we next gather, may your needles be sharp, your ink flow true, and your looms weave evenly.

Yours in service,
CuMhara of Holyhead
Baronial A&S Officer

Announcements

Congratulations to Their Royal Majesties King Sascha St. Martin and Queen Kemma of the Three Rivers, our new king and queen!

Awards & Recognition

The following awards were given on August 12th, 2025 at Pennsic by King Wigthegn and Queen Neassa

- ❖ Caius Aurelianus made a Sargent of Red Company

The following honors were given at Pennsic by Baron Reinhold von Glier and Baroness Lynne Fairchild

- ❖ Token to Deor Leodegar for representing the Barony during the Known World Baronial Championships in Rapier
- ❖ Token to Caius Aurelianus for representing the Barony during the Known World Baronial Championships in Armored
- ❖ Luzia de la Salamanca was made a member of the Company of Fenix
- ❖ Deor Leodegar was made a member of the Company of Fenix
- ❖ Toki Onundson was made a member of the Company of Fenix

For every day of fighting, knights and others observed the heroic deeds of our Baronial fighters and then named one who they thought stood out above the rest. Dorian received it on Sunday, Deor on Monday, Caius on Tuesday, Drea on Wednesday (Wednesday is a day of rest and Drea was recognized as the valkyrie who made sure fighters were hydrated and fed), and Wilhelm on Thursday.

Reinhold received the 2nd highest score for the A&S War Point (behind Valya, who is a Laurel). This means that he received the highest non-Laurel score overall.

Three of Fenix's fighters participated in the 10 Man Tourney: Reinhold on Midrealm team, Dorian and Caius on the Midrealm Alternates team. Atlantia came in 1st, Midrealm in 2nd, and Midrealm Alternates in 3rd place.

If I missed anyone, please email me at Fenix.chronicler@midrealm.org and I will be sure to include it in the next newsletter.
